1970 CARDINAL

Atlantic High School

Oak Hall, Virginia

FOREWORD

Interest in astrology and horoscopes has captured the imagination of students everywhere. The 1970 CARDINAL reflects the year of the Zodiac at Atlantic High.

Although fascinated by the idea of the stars' influence on our lives, we, nevertheless, realize that our destinies are affected by the choices we make. The CARDINAL pictures the choices we have made in friendships, classes, sports, activities, and organizations.

The 1970 staff sincerely hopes your choices will lead to a star-studded future.

DEDICATION

We, the Yearbook Staff, wish to show our admiration, love, and respect for one who has given freely of her time and services in many ways. Serving as a competent teacher of French and English, sponsor of the Glee Club, enthusiastic supporter of sports and activities, she has won high regard from the Faculty and Student Body for the past five years.

For all that she does for them, for all that she stands for as a member of the teaching profession, the 1970 Cardinal Staff proudly dedicates this book to ...

Gift of youth.

This gift was embodied in a mythical ring belonging to a hero, Ogier the Dane. Ogier's ring not only removed the wearer's infirmities; it also restored his youth. Try your Balfour class ring 50 years from now. Maybe it can do the same.

Life insurance is like an instant estate.

Because, as soon as the insurance goes into effect, you're covered immediately for the full amount of the policy. And, over the years, your insurance can grow in cash value. So that, when you retire, you'll have a nestegg that can provide a monthly income you can't outlive. Call me. And let's talk about it.
